FROM THE DESK OF FR. JOHN:

Our Leprechauns at the Loop Fundraiser was a success. Once all the bills are paid, we estimate that we profited a little over thirty thousand dollars. We earmarked this money to get a bathroom assessable for use from the pavilion. Thank you to all who worked so hard to make it a success and to all who attended. Joanne said thank you to all who purchased Pot of Gold tickets from her. I'm not sure of the story she peddled but she said thanks for helping her stay here another year (?). Hmm...she sold a lot of tickets. Our pot of gold winner this year was Ernie Rogers. Congrats Ernie!

The Friday fish frys have been great! The food and comraderies have been wonderful. The Knights and Ladies are doing a wonderful job, as usual. I do not take their work lightly. We are blessed to have them host the fish frys. It entails a lot of work and organization. Thank you Knights and Ladies!!

Easter is approaching fast and our RCIA Class is getting excited about entering the Church at the Vigil Mass. Please continue to keep them in your prayers. You are invited to help celebrate their full communion with the Church at Mass and at a reception following Mass.

Upcoming events:

*Little Flower's Annual Spring Fling- Saturday, April 6th at 10:00. You may call the school office (479-5761) for tickets and more information. This event is great for the entire family. Please come out and support them.

*We will have a Renewal and Blessing of Marriages- April 6th and 7th at all the Masses. Couples married during the months of April, May and June are invited to have their marriages blessed at that time.

*First Communion will take place Sunday, May 5th at the 9:30 Mass. Our second graders have been preparing for this Sacrament all year. Please pray for them.

Have a wonderful Easter!

Fr John

LITTLE FLOWER MUSIC MINISTRY

We are about two thirds of the way through Lent. Easter will be here before we know it.

For the past month or so the choirs have been working on a few things for Holy Week and Easter. This year I've decided to change things up ever so slightly for Holy Week. Ever since I have been at Little Flower, Promise has sung at the Easter Vigil and the St. Therese Choir has sung on Easter morning. I have decided to switch the choirs for those two Masses. St. Therese will now sing at the Vigil and Promise will sing on Easter morning at the 9:30 Mass. Both choirs have had to learn some new music to prepare for those Masses. They are doing great and will be ready by the time we get to Holy Week. The St. Therese Choir will still sing on Holy Thursday and Promise will still sing on Good Friday.

Have you noticed the Assembly Booklets we placed in the pews last month? We have been working on putting these together since this past summer. The booklets contain all of the congregation's responses during the Mass as well as the music for the Mass parts that we use during Ordinary Time. Most of you in the congregation know the responses and the music so you probably don't need to use these booklets. But we have a good number of people who attend Masses at Little Flower who are not regulars and we thought it would be a good idea to have a worship aid for our guests to be able to follow.

If you have not attended the services during the Triduum (Holy Thursday, Good Friday, and the Easter Vigil) lately, I encourage you to do so. These services are really just one long rite – so long that we celebrate it over three consecutive days. At the Mass on Holy Thursday we celebrate the Last Supper. It ends with Adoration of the Blessed Sacrament. Good Friday is a continuation of the service on Holy Thursday. There is no Gathering Rite and no Closing Rite. During the service we will

have Adoration of the Cross. The Vigil Mass has a lot going on. We start in darkness and bring in the new Paschal candle, representing the Light of the World. We hear readings from Scripture that tell of our salvation. And we initiate those people into our faith who have been preparing all year long through the RCIA process. By attending all three days, you can truly appreciate the passion, death, and resurrection of Our Lord. Each day has different elements that are celebrated.

I pray that your Lent continues to be a time of renewal and that you have a wonderful and blessed Easter season.

The Round Table Facilitators

Our Lady of Mount Carmel, The Legion Of Mary

Thank you for sharing First Friday Adoration of Reparation to the Sacred Heart of Jesus with us March 2nd and for joining us Saturday, March 9th at 9 AM for our Holy Hour in Reparation to the Sorrowful Immaculate Heart of our Mother Mary. Your loving, prayerful presence gave Jesus, our Mother, and us much joy, as, together, we prayed with them for the conversion of the whole world so desperately in need of the God of Mercy they do not yet know.

From the peak of Laetare Sunday yesterday, March 31, we caught sight of the Paschal Mystery we shall enter on Palm Sunday, April 14th. As we enter, with Mary, more deeply into the working out of the Mystery of God's Mercy in all of us, let's listen again to Jesus' Seven Last Words from the Cross as Mary, John, and the women heard them.

The FIRST WORD – “Father forgive them, for they do not know what they are doing!” Jesus models for us obedience to His last command, “Love one another as I have loved you,” He begs His Father's pardon from the cross for Pilate, for the Romans executing Him, for the taunting, unbelieving religious leadership who engineered His condemnation, for the absent Apostles for Judas, His betrayer, and for all of us. He died in our place for all mankind's sin (from Adam's on), and “by His stripes, we are healed.” That is Mercy in action.

The SECOND WORD – “Today you shall be with me in Paradise!” said Jesus to the thief on His right-hand side, who had scolded his taunting, unbelieving fellow-thief on Jesus' left, then begged, “Remember me when You come into Your Kingdom!” That is how far Mercy stretches.

The split THIRD WORD – “Woman, behold your son” (to His Mother),” and “ behold your Mother” (to John and us is Jesus' double gift. For both His Mother and His friend John, separately, have been His entirely; now they, and so we, are to be family with

Himself as the Center and Source of our love for each other and for all the world. The cost to John and Mary was the willing sacrifice of their private relationships with Him for a larger, deeper, richer union with Him and us in His Mystical Body. There each of us ever created is child to Mary, brother or sister with John to Jesus, forever.

The FOURTH WORD — “My God, My God! Why have You forsaken Me?” flows from the THIRD. Jesus stripped Himself of everything in this sacrifice, including His dearest human relationships, and gave everything to His Father to save us all. He felt abandoned by God though God was still with Him, so that when the same thing happens to us, we can pray, “Jesus, I trust in You. I trust in Your Mercy. I trust in Your Love.”

The FIFTH WORD – “I thirst” brought Him soldier with a lance impaling a sponge dripping sour wine; He tasted and turned away. What He thirsted for was not water, nor wine, but souls – those who were being lost, those who needed mercy, all souls – that He might give them mercy.

The SIXTH WORD – “It is finished!” was Jesus' proclamation to God and to the world that His Messianic mission was completed, that He had said, done and suffered all the prophets had foretold of Him and the sacrifice was complete. Now He, Who had the power to put down His life and take it up again, was free to do so.

With the SEVENTH word – “Father into Your hands I commend My spirit!” He did so – laid down His life all at once and altogether. He was gone.

Then, on the third day when He took it up again, the Paschal Sacrifice was complete and our Salvation open to us all.

LITTLE FLOWER KNIGHTS OF COLUMBUS

COUNCIL #13367

As we slowly retire our winter coats and move into spring our attention is drawn to the outdoors, those projects left unfinished, and preparing to make all things new. The Mardi Gras and the festivals have all come to a close as we start our Lenten season. The Knights have begun the fish fry's and the parish has once again hosted another successful Leprechauns at the Loop. That fundraiser really has become one of the highlights of the year in our parish.

We now prepare for Easter and the Passion of our Lord that culminated on that day. The Knights of the 4th degree will dress out, in the old familiar regalia for the last time, to participate in the Stations of the Cross as part of that preparation. The Stations, this year will be held in Cathedral Square on Good Friday, April 19, 2019 and led by Archbishop Rodi.

The Knights would like to wish you and yours a very happy Easter, and would like once again to invite you to become a part of who we are. We still meet most Thursday nights in the Bringer Center and encourage you to come and meet the knights. If you have any questions, feel free to call me @ (251) 222-6614.

Its not so much about what we do, as it is about the examples we set.

THE MEN OF ST. JOSEPH

One of the Gospel readings for the month of February was quite inspiring for the MOSJ. Understanding that we are to be the spiritual leaders of our family, the Gospel about Simon Peter and his fellow fishermen was quite instructive. Recalling that Simon and his crew (soon to be apostles) had worked all night and caught nothing, Jesus (the amateur fisherman) told them to cast their nets in the same deep water where they previously caught nothing.

However, they did as the “amateur” had told them and to their amazement, they were rewarded with a huge catch. They could have told Jesus they weren’t going to go to work again, because they were tired. Sometimes we get tired also in our role, as we don’t seem to be making any progress. But the lessons we can take from this, as spiritual leaders of our families, are that patience, persistence, and faith in God, will one day be rewarded.

Tom Ebel

Men of St. Joseph Prayer

“St. Joseph, help me to be like you. Help me to be obedient to the teachings of the Church and faithful to God’s commands. Help me to patiently endure my cross each day. Let me be a model of holiness and a pillar of virtue. I solemnly promise to embrace God’s will and I accept the challenge to work tirelessly for my family’s salvation. Be my guide and companion on this journey. St. Joseph, Terror of demons, pray for us.”

ALTAR SOCIETY

Lent is a time for serious examination of our souls and relationship with Jesus. But ultimately, the purpose of Lent does not stop at sadness and despair so let’s interject some humor as we thank God for his love and grace.

May your Lent be a time of true repentance and communication with Father, Son and Holy Spirit.

COMMITTEE REPORTS

Parish Council

April 6th we will celebrate our church's 90th anniversary at the 4:30 PM Mass. We will have a bigger celebration at our 100th anniversary.

Taste of Little Flower was a great success. The food was delicious. We have strayed a little from the original concept of the original gathering of ethnic foods. Southern foods have become an ethnic food which all enjoyed.

All were made aware of the directional sign on the air condition wall to the handicapped area and entrance and the meeting rooms in the back of church.

Fr. John talked about our Lynes Share Scholarship Fund and how it can be used in the future. We hope to see it grow. We will only use the interest from the fund. It will be used for the school. We are looking for new parish council members. We will need to replace 5 members. Fr. John will determine who will be on the council. We are also revising our Constitution. We have a committee set up.

All our committees gave their reports. The committee reports keep the council advised about what is happening in the parish. Our next meeting is May 1st at 6:00 PM in the Parish Office.

Loop Group

We received more information on the Broad Street tree issue. We looked at drawings showing the plan. We were all in agreement that we did not need parking on the side where the trees were. The area has only at this time has two business and they have large parking areas. We would rather see one lane bicycle lane on that side and another on the other side of the street. The drawing shows both on the same side. We also had an opportunity to sign a petition to add live oaks to the present plan. They were going

to put all nut oaks. Kris and Ed have attended most of the meetings on this project.

We were also informed that you can now call 911 and report tires that have been dumped and the city will have them picked up. They have joined with a grant that the county has to get paid for used tires.

The house on Morgan that we have been concerned about has improved in the appearance at present. The owner is in jail at present and someone is cleaning the area.

We requested a house on Glenwood to pick up trash and they did within a week's time.

Glenwood Street is still partially paved. We noticed that more sidewalks were going to be fixed on Springhill area. We don't understand why the sidewalks in our area cannot be fixed as requested.

We are noticing things happening in the Loop. There is something at the land near the creek on Holcomb being cleared on the right side going west. The old Chevron at the corner of Pleasant Valley and Government is being rebuilt.

The Spring 2019 40 Days for Life campaign is in full swing. In the 10 years that Mobile and Baldwin Counties have actively participated in 40 Days for Life, 169 babies have been saved and one abortion center has been closed! Please consider signing up to come peacefully pray for life on the sidewalks of Planned Parenthood at <https://40daysforlife.com/local-campaigns/mobile/>

Did you know that students from multiple Catholic schools in Mobile and their parents meet in the Women's Resource Center parking lot across the street from Planned Parenthood on Friday mornings at 6:30 a.m. during the Campaign to pray together and learn why it is so important to protect life? Consider joining them with your children to learn and pray (what a great way to start a school day!)

Please contact me if you have any questions, and if you are not able to sign up for vigil hours to pray at the abortion center, please keep us in your prayers and pray for the closing of Planned Parenthood on Downtowner Loop. Thank you for standing up for life!

RELIGIOUS EDUCATION CLASSES

“Unless you become like little children...” Matthew 18:3

Powerful words of wisdom, not only for parents, but for our religious education teachers. Celebrating the joyous season of Advent, Christmas and even Ordinary Time was easy – and then it was the season of Lent. This time in Jesus life can be difficult for us as adults to explain to our children. Too often we try to explain things to our children on an adult level – when our children only want the simple answers at their level of understanding – let the children lead us!

Starting with our first classes in September through our last class on April 28th, our classes have used the parish version of the Sadlier religious education program and supplemented with materials and activities related to the specific Sunday gospel (J.S. Paluch Co.)

On March 24 our classes went to church where the older students led us in the Stations of the Cross for children. We are excitingly looking forward to Easter, April 21st. Easter Sunday marks the end of Lent and the beginning of the Easter Season. We put our Alleluia’s away in Lent and will rejoice and sing “Alleluia” at Easter.

Sunday, April 28th, will be the Religious Education (CCD) Mass ending another year of classes. Our First Communicants ask that you pray for them and invited all to join them as they celebrate First Eucharist, May 5th at the 9:30 Mass. Please remember in your prayers our high school students who will be confirmed on September 14th.

Vacation Bible School for preschool through eighth grade will be June 10th through June 14th. The theme this year is “ROAR – Life is Wild, God is Good.” Stay tuned for more information about VBS in the Sunday bulletins and Taproot. Happy Easter!!

LITTLE FLOWER YOUTH GROUP NEWS:

What is Lent?

Lent is a time of repentance, fasting and preparation for the coming of Easter. It is a time of self-examination and reflection. In the early Church, Lent was a time to prepare new converts for baptism. Today, Christians focus on their relationship with God, often choosing to give up something or to volunteer and give of themselves for others.

Why 40 Days?

The number 40 carries great biblical significance based on:

- the 40 days of rain Noah & his family endured in the flood,
- Jesus' 40 day fast in the wilderness,
- the 40 days Jesus spent on earth after his resurrection
- and so much more!

LENT PHOTO A DAY Challenge:

For the remainder of the Lenten season try this Lenten challenge with family and friends or by yourself:

2. Take it a step higher & post a Bible verse that explains the photo.
